Essentrics® Aging Backwards Workout to Boost Energy

Date and Time: Friday, October 4 9:30 am - 10:30 am

Address: 15 HUMPHREY DRIVE

Experience a full-body workout that will leave you feeling revitalized from head to toe. This is an age reversing workout to keep your connective tissue healthy and resilient, ensuring that you move with ease.

Joint mobility and stability are critical for daily activities and for optimal performance in any physical activity. Unlock your joints, move with freedom and live pain-free with the help of this full-body workout.

Suitable for all fitness levels. Whether you are an athlete or just beginning to exercise, we all need healthy joints and connective tissue.

Dynamic fluid movements focus on:

- Strengthening and stretching the key muscles that play an important role in the health of your joints,
- Building strength in muscle groups that are often overlooked to prevent injuries,
- Improve your balance,
- Activating fascia and connective tissue to reduce pain and tightness in your body,
- Deep stretches to improve flexibility and functional mobility,
- Enhance mobility of your ankles and feet,
- Classes are ALWAYS low impact for protecting our joints with an emphasis on body alignment,
- Classes are ALWAYS full-body to rebalance the muscle the groups from head to toe.

When you keep your joints healthy, you can continue doing all the things you love to do, from playing your favorite sport to gardening, or staying active outdoors with your kids or grand kids.

Bring exercise mat and water bottle.

Drop In \$15/class or purchase a class pass.

Check out details of class pass in FAQ section

Mindfulness Based Cognitive Therapy Workshop

Date and Time: Wednesday, October 16 5:00 pm - 8:00 pm

Address: 17 Victoria Street Rosseau Nursing Station, Rosseau, Wellness Room

Mindfulness Based Cognitive Therapy is an evidence-based treatment and support for people struggling with stress, depression, and anxiety.

This group is being facilitated by Dr. Shira Taylor and is 100% covered by OHIP.

The goal of this group is to introduce the specific tools and skills of mindfulness meditation for motivated individuals struggling with habitual/chronic stress, burnout, depression and/or anxiety.

Suitable participants:

- are dealing with burnout, stress, or a mental health condition and could benefit from learning tools for stress reduction
- are ready and willing to commit to coming to all eight sessions and a one day retreat
- Are willing and able to do one hour of home practice daily
- have a valid OHIP card
- Are not dealing with active serious mental health issues (untreated PTSD, psychosis, suicidality, etc), an active substance use addiction, or life circumstances that prevent regular group participation

To learn more and to register please go to: <https://www.drshirataylor.ca/upcoming-groups/mindfulness-parry-sound-muskoka-lh4pf>

Although a referral from your family doctor is not required, it is helpful. Please find attached a referral form to bring to your doctor. Feel free to share the attached poster as well.

Essentrics® Aging Backwards Workout to Boost Energy

Date and Time: Friday, October 25 9:30 am - 10:30 am

Address: 15 HUMPHREY DRIVE

Experience a full-body workout that will leave you feeling revitalized from head to toe. This is an age reversing workout to keep your connective tissue healthy and resilient, ensuring that you move with ease.

Joint mobility and stability are critical for daily activities and for optimal performance in any physical activity. Unlock your joints, move with freedom and live pain-free with the help of this full-body workout.

Suitable for all fitness levels. Whether you are an athlete or just beginning to exercise, we all need healthy joints and connective tissue.

Dynamic fluid movements focus on:

- Strengthening and stretching the key muscles that play an important role in the health of your joints,
- Building strength in muscle groups that are often overlooked to prevent injuries,
- Improve your balance,
- Activating fascia and connective tissue to reduce pain and tightness in your body,
- Deep stretches to improve flexibility and functional mobility,
- Enhance mobility of your ankles and feet,
- Classes are ALWAYS low impact for protecting our joints with an emphasis on body alignment,
- Classes are ALWAYS full-body to rebalance the muscle the groups from head to toe.

When you keep your joints healthy, you can continue doing all the things you love to do,

from playing your favorite sport to gardening, or staying active outdoors with your kids or grand kids.

Bring exercise mat and water bottle.

Drop In \$15/class or purchase a class pass.

Check out details of class pass in FAQ section
www.essentricswithcaroline.ca

Participants are asked to read and sign waiver.

Mindfulness Based Cognitive Therapy Workshop

Date and Time: Wednesday, October 30 5:00 pm - 8:00 pm

Address: 17 Victoria Street Rosseau Nursing Station, Rosseau, Wellness Room

Mindfulness Based Cognitive Therapy is an evidence-based treatment and support for people struggling with stress, depression, and anxiety.

This group is being facilitated by Dr. Shira Taylor and is 100% covered by OHIP.

The goal of this group is to introduce the specific tools and skills of mindfulness meditation for motivated individuals struggling with habitual/chronic stress, burnout, depression and/or anxiety.

Suitable participants:

- are dealing with burnout, stress, or a mental health condition and could benefit from learning tools for stress reduction
- are ready and willing to commit to coming to all eight sessions and a one day retreat
- Are willing and able to do one hour of home practice daily
- have a valid OHIP card
- Are not dealing with active serious mental health issues (untreated PTSD, psychosis, suicidality, etc), an active substance use addiction, or life circumstances that prevent regular group participation
